## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Park on 4/22/08.

The application has been amended as follows:

Cancel claims 1-9 and 14-23.

### ***Allowable Subject Matter***

Claims 10-13 are allowed.

The following is an examiner's statement of reasons for allowance:

There is no teaching or suggestion in the art of record disclosing a semiconductor device substrate comprising the combination of structural limitations of claim 10, wherein the base layer has an opening formed at a portion corresponding to the electronic component to accommodate an externally provided semiconductor

element within the base layer. Therefore, independent claim 10 is deemed allowable along with its dependent claims 11-13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DOUGLAS M. MENZ whose telephone number is (571)272-1877. The examiner can normally be reached on M-F 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bill Baumeister can be reached on 571-272-1722. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
